The consultation runs from 23 June 2022 to 15 September 2022

All those wishing to respond to the consultation are strongly encouraged to enter their responses electronically through this survey. This makes collation of responses much simpler and quicker. However, the option also exists of sending in a separate response (in hard copy or by other electronic means such as e-mail), and details of how to do so are included in the member's consultation document.

Questions marked with an asterisk (*) require an answer.

All responses must include a name and contact details. Names will only be published if you give us permission, and contact details are never published – but we may use them to contact you if there is a query about your response. If you do not include a name and/or contact details, we may have to disregard your response.

Please note that you must complete the survey in order for your response to be accepted. If you don't wish to complete the survey in a single session, you can choose "Save and Continue later" at any point. Whilst you have the option to skip particular questions, you must continue to the end of the survey and press "Submit" to have your response fully recorded.

Please ensure you have read the consultation document before responding to any of the questions that follow. In particular, you should read the information contained in the document about how your response will be handled. The consultation document is available here:

Q1. Which of the following best expresses your view of the proposed Bill? (Please note that this question is compulsory.)

Fully opposed

Please explain the reasons for your response.

What does Holyrood actually do? Do you not see how utterly ridiculous this is? We're entering a Recession/Depression, this is entirely pointless, performative and downright DUMB. Get back to proper work, Governing AND protecting Citizen's RIGHTS (that's what Government is supposed to be) You are supposed to stand up for the Citizens and protect our rights.. not people who are DEAD and have been dead for Centuries. Also, don't act like you wouldn't burn those witches at the stake today.. Witches were the original Anti-Vaxxers and we all know how you feel about 'anti-vaxxers'

Q2. Do you think legislation is required, or are there other ways in which the proposed Bill's aims could be achieved more effectively? Please explain the reasons for your response.

No, of course not.. GET BACK TO PROPER WORK!! And fire at least half the Parliament, you all do NOTHING but speak in Platitudes, mislead the Public and rule on RAW Emotion, not to mention frivolously WASTE tax payers money, which is exactly what this Bill is.

Financial Implications

Q3. Any new law can have a financial impact which would affect individuals, businesses, the public sector, or others. What financial impact do you think this proposal could have if it became law?

no overall change in costs

Please explain the reasons for your answer.

The only Witches practising Occultism are most likely IN your Parliament, those meeting with WEF, UN, WHO and the rest of the Elite..

Equalities

Q4. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected characteristics (under the Equality Act 2010): age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, sexual orientation?

Neutral (neither positive nor negative)

Please explain the reasons for your response including the impact on people with particular protected characteristics

Absolutely nothing... And the Equality Act was trampled on over Lockdown with Mandates, Mask wearing and vaccine mandates.. don't pretend like you CARE about Disabled people, or anyone for that matter, except yourselves of course.

Sustainability

Q5. Any new law can impact on work to protect and enhance the environment, achieve a sustainable economy, and create a strong, healthy, and just society for future generations.

Do you think the proposal could impact in any of these areas? (If you do not have a view then skip to next question)

Please explain the reasons for your answer, including what you think the impact of the proposal could be, and if there are any ways you think the proposal could avoid negative impacts?

HAHAHAHAHA..

General

Q6. Do you have any other additional comments or suggestions on the proposed Bill (which have not already been covered in any of your responses to earlier questions)?

You're an idiot. Please reflect on how absolutely ABSURD this is.. get some perspective and wake up.
